

Chrystalline Gold Full Bio

At four years old, I knew I wanted to perform music on a stage. And for the last 25 years, I've been pursuing that goal in one way or another. I love making people dance and creating a positive experience for people's souls- a joyful escape from the daily monotony.

Whether it's on the dance floor of the club or the first dance as husband and wife, I'm here to create an experience that won't soon be forgotten. And I'm so grateful to be able to share that with you!

Achieve the Gold standard and don't miss Chrystalline Gold behind the decks. She's known for bringing that deep house vibe that touches the souls of even hardcore dubstep fans. It's hard to stand still when she's bumping the tunes. #letsparty
